Satisfaction is consigned to the "Texoma Spring Classic" she is a really stout young cow with strong lateral horn growth and fantastic genetics to work with. Horns are really coming on with lateral growth and starting to twist and she predicts to 80 plus TTT at maturity. Satisfaction was bred to Cool Smoke BCR (2018 Horn Showcase winner with 3 Bronzes) which produced a heifer calf born 03/23/2019. Some great old school genetics to work with.

**TTT:** 58.5000 on 03/04/2019
